NOTICE OF SPECIAL MEETING OF SHAREHOLDERS

To Our Shareholders:

We are pleased to announce that the Special Meeting of shareholders (the “Special Meeting”) of Upexi, Inc. (“we,” “our,” “us,” “Company,” or “Upexi”) will be held at 10:00 a.m. EDT on Tuesday, August 19, 2025. You are invited to participate in the Special Meeting.

The purpose of the meeting is to consider and vote on the following matters:

1. To approve an amendment to the 2019 Incentive Stock Plan, as amended (the “Incentive Plan”), to increase the number of shares of Common Stock issuable pursuant to awards granted under the Incentive Plan from 10,000,000 shares to 25,000,000 shares (the “Increase of Shares to Incentive Plan Proposal”);
2. To approve, under Nasdaq Listing Rule 5635(d), the issuance of Common Stock pursuant to a \$500,000,000 equity-based line of credit, to the extent such issuance could result in the Company’s issuing more than twenty percent (20%) of the issued and outstanding Common Stock of the Company; and
3. Any other business that may properly be brought before the meeting or any adjournment of the meeting.

The record date for the determination of shareholders entitled to vote at the Special Meeting is June 20, 2025 (the “Record Date”). You are entitled to participate in the Special Meeting if you were a holder of record of our Common Stock or Preferred Stock as of the close of business on the Record Date. Please note, if you plan to attend the Special Meeting in person, you will need to register in advance and receive an admission card to be admitted. Please follow the instructions on page 5 of the Proxy Statement. Please refer to the Q&A section below if you are a street name holder and would like to attend the Special Meeting. Record holders of shares may cast one vote for each share of our Common Stock and ten votes for each share of our Preferred Stock.

Your vote is important. Whether or not you plan to attend the meeting, we ask that you appoint the Proxies named in the enclosed proxy card to vote your shares for you by signing, dating and returning the enclosed proxy card, or following the instructions in the proxy statement and on your proxy card to appoint the Proxies by telephone or Internet. This will help us ensure that your shares are represented and that a quorum is present at the meeting. If you sign a proxy card or appoint the Proxies by telephone or Internet, you may later revoke your appointment or change your vote by following the instructions in the accompanying proxy statement or attend the Special Meeting and vote the shares you hold of record at the meeting. Attending the Special Meeting alone will not revoke a proxy card. If your shares are held in “street name” by a broker or other nominee, the record holder of your shares must vote them for you, so you should follow your broker’s or nominee’s directions and give it instructions as to how you want it to vote your shares. We would appreciate receiving your proxy by Monday, August 18, 2025.

BY ORDER OF THE BOARD,

/s/ Allan Marshall

PROXY STATEMENT

This proxy statement is dated July 22, 2025 and is being furnished to our shareholders as of the close of business on June 20, 2025 (the “Record Date”), by our Board of Directors in connection with our solicitation of proxy appointments in the form of the enclosed proxy card for use at the Special Meeting of our shareholders and at any adjournments of the meeting.

The Special Meeting will take place on August 19, 2025, at 10 a.m., Eastern Daylight Time (EDT), at 3030 N. Rocky Point Drive, Suite 420, Tampa, FL 33607.

This Proxy Statement has been prepared by the management of the Company.

If your shares are held by a brokerage house or other custodian, nominee or fiduciary in “street name,” as the record holder of your shares, it is required to vote your shares according to your instructions. Your broker, bank, trust or other nominee is required to send you directions on how to vote those shares. If your shares are held in “street name” and you would like to vote your shares in person while attending the Special Meeting, you must contact your broker, custodian, nominee or fiduciary to obtain a legal proxy form from the record holder of your shares and present it to the inspector of election with your ballot.

QUESTIONS AND ANSWERS ABOUT OUR SPECIAL MEETING

What is the purpose of the Special Meeting?

Our Special Meeting will be held for the following purposes:

1. To approve an amendment to the 2019 Incentive Stock Plan, as amended (the “Incentive Plan”), to increase the number of shares of Common Stock issuable pursuant to awards granted under the Incentive Plan from 10,000,000 shares to 25,000,000 shares (the “Increase of Shares to Incentive Plan Proposal”);
2. To approve, under Nasdaq Listing Rule 5635(d), the issuance of Common Stock pursuant to a \$500,000,000 equity-based line of credit, to the extent such issuance could result in the Company’s issuing more than twenty percent (20%) of the issued and outstanding Common Stock of the Company; and
3. To consider such other business as may properly come before the Special Meeting or any adjournment or postponement of the Special Meeting.

Who can vote at the Special Meeting?

You can vote at the Special Meeting if, as of the close of business on June 20, 2025, the record date, you were a holder of record of the Company’s Common Stock or Preferred Stock. As of the record date, there were issued and outstanding 38,232,732 shares of Common Stock, each of which is entitled to one vote on each matter to come before the Special Meeting, and 25,000 shares of Preferred Stock, each of which is entitled to ten votes on each matter to come before the Special Meeting.

How many shares must be present to conduct business at the Special Meeting?

A quorum is necessary to hold a valid meeting of shareholders. For the proposal to be presented at the Special Meeting, the holders of shares of one third of the voting power of the issued and outstanding shares entitled to vote at such meeting must be present. As such, holders of our outstanding Common Stock and Preferred Stock as of June 20, 2025, the record date, representing 12,827,577 votes must be present at the Shareholder Meeting, in person or by proxy. If you vote, including by Internet, or mailing the proxy card, your shares voted will be counted towards the quorum for the Special Meeting. Abstentions and broker non-votes are counted as present for the purpose of determining a quorum.

How do I vote?

Registered Shareholders. If you are a registered shareholder (*i.e.*, you hold your shares in your own name through our transfer agent, VStock Transfer, LLC, referred to herein as “VStock”), you may vote by proxy via the Internet, or by mail by following the instructions provided on the proxy card. Shareholders of record who attend the Special Meeting may vote in person by obtaining a ballot from the inspector of elections.

Beneficial Owners. If you are a beneficial owner of shares (*i.e.*, your shares are held in the name of a brokerage firm, bank or a trustee), you may vote by proxy by following the instructions provided in the voting instruction form or other materials provided to you by the brokerage firm, bank, or other nominee that holds your shares. To vote in person at the Special Meeting, you must obtain a legal proxy from the brokerage firm, bank or other nominee that holds your shares.

Will my shares be voted if I do not provide voting instructions?

If you are a shareholder of record and you properly sign, date and return a proxy card, but do not indicate how you wish to vote with respect to a particular proposal, then your shares will be voted **FOR** to approve of an amendment to the 2019 Incentive Stock Plan, as amended (the “Incentive Plan”), to increase the number of shares of Common Stock issuable pursuant to awards granted under the Incentive Plan from 10,000,000 shares to 25,000,000 shares (the “Proposal 1”) and **FOR** to approve under Nasdaq Listing Rule 5635(d), the issuance of Common Stock pursuant to a \$500,000,000 equity-based line of credit, to the extent such issuance could result in the Company’s issuing more than twenty percent (20%) of the issued and outstanding Common Stock of the Company, as of July 24, 2025, the date on which the Securities Purchase Agreement was executed (the “Proposal 2”);

If you are a beneficial owner of shares held in street name and you do not instruct your broker, bank, or other agent how to vote your shares, your broker, bank, or other agent may still be able to vote your shares at its discretion. In this regard, under the rules of the New York Stock Exchange, or NYSE, brokers, banks, and other securities intermediaries that are subject to NYSE rules may use their discretion to vote your “uninstructed” shares with respect to matters considered to be “routine” under NYSE rules, but not with respect to “non-routine” matters. Both Proposals 1 and 2 are not “routine” matter under NYSE rules. The affirmative vote of a majority of the votes cast is required for the approval of Proposals 1 and 2. With regard to these proposals, abstentions will be counted in tabulations of the votes cast on each such proposal and will have the same effect as a vote against the proposal, whereas broker non-votes will be excluded from the vote and will have no effect on its outcome.

Can I change my vote after I have voted?

Yes, you may revoke your proxy and change your vote at any time before the final vote at the Shareholder Meeting. You may change your vote by voting again on a later date on the Internet (only your latest Internet proxy submitted prior to the Shareholder Meeting will be counted), signing and returning a new proxy card with a later date, or attending and voting at the Shareholder Meeting. However, your attendance at the Shareholder Meeting will not automatically revoke any prior proxy unless you vote again at the Shareholder Meeting or specifically request in writing that your prior proxy be revoked.

What is the deadline to vote?

If you hold shares as the shareholder of record, your vote by proxy must be received before 11:59 p.m. ET on August 18, 2025. If you are the beneficial owner of shares, please follow the voting instructions provided by your broker, trustee or other nominee.

How does the Board recommend that I vote?

Our Board recommends that you vote your shares **”FOR”** Proposal 1 and Proposal 2.

How will the persons named as proxies vote?

If you complete and submit a proxy, the persons named as proxies will follow your instructions. If you submit a proxy but do not provide instructions, or if your instructions are unclear, the persons named as proxies will vote as recommended by our Board of Directors or, if no recommendation is given, in their own discretion.

Where can I find the results of the voting?

We intend to announce preliminary voting results at the Special Meeting and will publish final results through a Current Report on Form 8-K to be filed with the Securities and Exchange Commission (“SEC”) within four business days after the Special Meeting. The Current Report on Form 8-K will be available on the SEC website, www.sec.gov.

Do I need a ticket to attend the Special Meeting?

Yes, you will need an admission card to enter the Special Meeting. You may request tickets by providing the name under which you hold shares of record or, if your shares are held in the name of a bank, broker or other holder of record, the evidence of your beneficial ownership of the shares, the number of tickets you are requesting and your contact information. You can submit your request in the following ways:

- by sending an e-mail to andrew@upexi.com; or
- by calling us at (702) 332-5591.

Shareholders also must present a form of personal photo identification in order to be admitted to the Special Meeting.

Who will pay for the cost of soliciting proxies?

We will pay for the cost of soliciting proxies. Our directors, officers and other employees, without additional compensation, may solicit proxies personally, in writing, by telephone, by email or otherwise. As is customary, we will reimburse brokerage firms, fiduciaries, voting trustees, and other nominees for forwarding our proxy materials to each beneficial owner of Common Stock and Preferred Stock held of record by them.

PROPOSAL 1: INCREASE OF SHARES TO INCENTIVE PLAN PROPOSAL

At the Special Meeting, you are being asked to consider and vote upon the following proposals:

Proposal 1: To approve an amendment to the 2019 Incentive Stock Plan, as amended (the “Incentive Plan”), to increase the number of shares of Common Stock issuable pursuant to awards granted under the Incentive Plan from 10,000,000 shares to 25,000,000 shares (the “Increase of Shares to Incentive Plan Proposal”);

The Board has approved, and has recommended that the stockholders approve an amendment to our 2019 Incentive Stock Plan to increase the number of shares of our Common Stock available for awards under the 2019 Plan (“Awards”) from 10,000,000 shares with the maximum number of shares of our Common Stock reserved and available for distribution pursuant to the grant of Options (as hereinafter defined) under the 2019 Plan set at 25,000,000 shares of Common Stock and the maximum number of shares of Common Stock reserved and available for distribution pursuant to the grant of Restricted Stock (as hereinafter defined) under the 2019 Plan set at 25,000,000 shares of Common Stock (the “Amendment”). A copy of the Amendment to the 2019 Plan is annexed to this Proxy Statement as Appendix A and is incorporated herein by reference. Because our Common Stock is listed on the NASDAQ Capital Market (NASDAQ), we are subject to the rules set forth in Section 5635(c) of NASDAQ’s corporate governance requirements, which requires (subject to certain exceptions) stockholder approval to be obtained if a listed company establishes or materially amends a stock option or purchase plan or other equity compensation arrangement pursuant to which options or stock may be acquired by officers, directors, employees, or consultants, regardless of whether or not such authorization is required by law or by the company’s charter.

Background and Reasons for the 2019 Plan Amendment Proposal

The 2019 Plan was initially adopted by our Board on February 8, 2021. A copy of the 2019 Plan was filed on Form S-1 with the SEC on April 15, 2021. Currently, 500,000 shares of Common Stock are authorized to be issued pursuant to Awards granted under the 2019 Plan. As of April 25, 2025, approximately 2,431 shares of Common Stock remained available for grant under the 2019 Plan. The Board believes that the availability of additional shares of Common Stock for Awards granted under the 2019 Plan is needed to enable the Company to meet its anticipated equity compensation needs to attract, motivate and retain qualified employees, officers and directors. The proposed share increase is expected to last approximately two years. This estimate is based on a forecast that takes into account our anticipated rate of growth in hiring, an estimated range of our stock price over time, and our historical forfeiture rates.

Summary of 2019 Plan Introduction

This Summary of the 2019 Plan (the “Summary”) is intended to briefly describe some of the most important provisions of the 2019 Plan and to generally outline the tax consequences which may be associated with the Awards consisting of Options (defined herein) and Restricted Stock (defined herein) under the 2019 Plan.

This Summary does not contain all of the details and specific terms of the 2019 Plan document, nor does it contain the details and terms of each Award Agreement for Options or Restricted Stock (an “Award Agreement”) under the 2019 Plan to specific persons. This Summary was written to cover only normal circumstances and conditions relating to the 2019 Plan and the Awards granted pursuant to the 2019 Plan. If there is any conflict between what is described in this Summary and the language in the 2019 Plan document or any Award Agreement, the 2019 Plan document and Award Agreement will control.

General 2019 Plan Information

Purpose

The purpose of the 2019 Plan is to provide additional incentives to select persons who can make, are making, and continue to make substantial contributions to the growth and success of the Company, to attract, motivate and retain the employment and services of such persons, and to encourage and reward such contributions, by providing these individuals with an opportunity to acquire or increase stock ownership in the Company through either the grant of (1) Options or (2) Restricted Stock (Options and/or Restricted Stock may be collectively referred to herein as an “Award”). Such persons receiving an Award under the 2019 Plan are hereinafter referred to as “Participants.”

Administration

The 2019 Plan is administered by the Compensation Committee or such other committee as is appointed by the Board pursuant to the 2019 Plan (“Committee”). The Committee has full authority to administer and interpret the provisions of the 2019 Plan including, but not limited to, the authority to make all determinations with regard to the terms and conditions of an Award made under the 2019 Plan, as described below. All decisions by the Committee regarding the 2019 Plan are final and conclusive.

The 2019 Plan permits the Committee to grant one or more of the following Awards:

Options

Under the 2019 Plan, the Committee may grant options (the “Options”) to purchase shares of Company Common Stock (the “Shares”). Options granted under the 2019 Plan shall be classified for income tax purposes as either (a) “Incentive Stock Options” within the meaning of Section 422(b) of the Internal Revenue Code of 1986 as amended (the “Code”) or (b) “Nonqualified Stock Options.” Nonqualified Stock Options are options that do not satisfy the requirements of Incentive Stock Options as defined by Section 422(b) of the Code (due to a “disqualified disposition” or pursuant to the terms of the Award Agreement). Generally, the income tax treatment of Incentive Stock Options differs from the income tax treatment of Nonqualified Stock Options. The intended nature of Options (that is, incentive or nonqualified) will be specified in each Award Agreement.

Restricted Stock

Under the 2019 Plan, the Committee may grant stock to a Participant subject to the satisfaction of vesting conditions, restrictions on transfer, repurchase rights or other limitations imposed by the 2019 Plan and/or contained in the Participant’s Award Agreement (“Restricted Stock”). If the Participant does not satisfy one or more of these conditions or restrictions, he must return the stock. Prior to satisfying the vesting conditions, the Participant does not own the Restricted Stock and does not enjoy the rights of a stockholder.

Securities Offered

The maximum number of Shares that may be granted under the 2019 Plan is currently 500,000. This number is subject to adjustment to reflect changes in the capital structure or organization of the Company. If the Plan Amendment Proposal is approved the maximum number of shares that may be granted under the 2019 Plan would be increased to 10,000,000 shares with the maximum number of shares of Common Stock reserved and available for distribution pursuant to the grant of Options under the 2019 Plan set at 10,000,000 shares of Common Stock and the maximum number of shares of Common Stock reserved and available for distribution pursuant to the grant of Restricted Stock under the 2019 Plan set at 10,000,000 shares of Common Stock. The specific terms of each Award to a Participant under the 2019 Plan are set forth in an Award Agreement between the Participant and the Company.

Eligibility to Participate

All officers (3), directors (5), employees (currently approximately 62 employees), consultants or other service provider of the Company (or any Affiliate of the Company) are eligible to participate in the 2019 Plan. The Committee shall select, among such individuals, those persons to whom an Award is to be granted, considering such factors as it deems relevant.

The Committee, in its discretion, may make an Award to a Participant, even though options, restricted stock or other benefits were previously granted to such Participant by the Company or under another plan of the Company. The 2019 Plan does not confer any right to an individual to continue in the employ of the Company or to continue to provide services to the Company.

Discretion of the Committee

The Committee, in its discretion, determines (i) the individuals to whom Award are to be granted, (ii) the time or times at which Awards are to be granted, (iii) the price at which Awards may be exercised, (iv) the exercise period of Awards, (v) the time or times when Awards will become vested and exercisable, and (vi) all other terms and conditions of Awards.

A grant of an Award is effective only after the Participant signs the Award Agreement provided by the Committee and returns it to the Company. The Award Agreement will describe all of the terms of the Award, as determined by the Committee.

Code Section 409A

In order to avoid complex requirements and restrictions (and a potential 20% tax on Option holders) that are imposed by Code Section 409A, all Options (designated as “Nonqualified Stock Options”) issued under the 2019 Plan will have an exercise price at or above the current, fair market value of the underlying Shares at the time the Option is granted.

Exercise and Vesting

Awards shall become exercisable and/or vested in accordance with a schedule determined by the Committee and set forth in each Award Agreement. An Award Agreement shall state, with respect to all or designated portions of the Shares subject thereto, the time at which, the conditions upon which, or the installments in which the Award shall become vested. The Committee may establish requirements for exercisability or vesting based on (i) periods of employment or rendering of services, (ii) the satisfaction of performance criteria with respect to the Company or the Participant (or both), or (iii) both periods of employment or rendering of services and satisfaction of performance criteria.

The Committee may substitute an effective date identified in the particular Award Agreement in place of the Award Date for use with the foregoing vesting schedule or with any other vesting schedule set forth in such Award Agreement.

In the case of any Award which, at the Award Date, is granted with provisions for vesting at a later date or in installments, whether by determination of the Committee or by operation of the preceding paragraph, two-thirds of the Committee may thereafter, at any time and in its sole discretion, waive or modify such vesting requirements with respect to such Award, in whole or in part, and accelerate the vesting condition of all or a portion of the Award.

The specific terms of each grant of an Award to a Participant under the 2019 Plan are set forth in the Award Agreement between the Participant and the Company.

Amendment and Termination

The Board may amend or terminate the 2019 Plan, at any time, without obtaining approval from the Company’s stockholders (unless required by law or other agreement). Termination of the 2019 Plan, other than upon dissolution of the Company, will not affect the rights of any Participant, except to the extent provided in the Award Agreement with such Participant or as otherwise set forth in the 2019 Plan.

Securities Law Restrictions

The Company may impose restrictions on Shares received by a Participant under the 2019 Plan as the Company deems advisable to comply with applicable securities laws and regulations including, the Securities Act of 1933 (as amended from time to time), the requirements of any stock exchange upon which the Company’s Common Stock is listed, and any state securities laws applicable to the Company’s Common Stock.

The Company registered the initial 277,779 Shares issued and issuable pursuant to Awards granted under the 2019 Plan pursuant to a Registration Statement on Form S-8 (Registration No. 257491) which became effective on June 29, 2021.

The Company registered 222,221 Shares issued and issuable pursuant to Awards granted under the 2019 Plan, as amended and restated on May 24, 2022, pursuant to a Registration Statement on Form S-8 (Registration No. 273859) which became effective on August 9, 2023.

In the event that the 2019 Plan Amendment Proposal is approved, the Company intends to register the additional 9,500,000 shares that will be available for issuance pursuant to the Awards under the 2019 Plan. If a registration statement is not in effect with respect to Shares issuable under the 2019 Plan, the Company may require a Participant to represent, in writing, that the Shares received by the Participant are being acquired for investment and not with a view to distribution and to agree that such Shares will not be disposed of by the Participant except pursuant to an effective registration statement.

Tax Consequences

This Summary briefly summarizes the basic federal rules (but not any state or local rules), as in effect as of the date of this Summary, relating to the tax consequences which may be associated with awards under the 2019 Plan. Such tax law rules, as set forth in the Code, as amended, are complex and contain conditions and exceptions that are not included in this Summary.

Each Participant should consider consulting with his or her personal, professional tax advisor concerning the particular tax consequences that result in connection with the Participant's receipt of an Award. Further, it is advisable for a Participant to obtain such consultation each time an Award is received, when the Award become vested, and at the time Shares are disposed. A Participant is liable and responsible, and the Company is not liable or responsible, in any way, for any and all tax consequences to the Participant relating to or resulting from an Award of Shares.

Options

Tax Consequences on Grant of Options

There should be no income tax consequences to a Participant at the time the Option is granted regardless of whether the option is an Incentive Stock Option or a Nonqualified Stock Option.

Tax Consequences on Exercise

Nonqualified Stock Options. The difference between the value of the stock at the time of exercise and the value of the stock at the time of grant less any amount, if any, paid for the stock (the "bargain element") is taxable to the Participant as additional compensation (not capital gain) in the year of exercise. The Participant must pay income tax (as well as social security and Medicare taxes) on the "bargain element" as compensation income, even though the Participant did not receive any cash at that time and may not have sold the stock.

Incentive Stock Options. A Participant who exercises an Incentive Stock Option does not have to recognize any income for federal tax purposes when he exercises an Incentive Stock Option, provided he does not dispose of the underlying shares until the later of 2 years from the date of grant or 1 year from the date of exercise. If the Participant violates this rule, there is a "disqualifying disposition," and the Participant has to recognize income equal to the amount by which the sales price of the Shares exceeds the exercise price. However, even absent a disqualifying disposition, for alternative minimum tax ("AMT") purposes, the Participant has to recognize the bargain element as income at the time the Option is exercised and, as a result, may be subject to AMT and an immediate tax liability.

Tax Consequences of Sale of Acquired Shares

Nonqualified Stock Options. If a Participant exercises an Option, the Participant will have capital gain or loss (which may be long-term or short-term) when he ultimately sells the shares, based on the difference between the amount received in the sale and the Participant's basis. For this purpose, "basis" is the amount paid for the Shares, increased by the amount that was treated as compensation income when the Participant exercised the Option (i.e., the exercise price plus the bargain element at the time of exercise).

Incentive Stock Options. Assuming that there is no “disqualifying disposition,” the Participant will have held the shares for more than 1 year and therefore will be entitled to long-term capital gains treatment (or, potentially will realize a long-term capital loss) based upon the variance between the amount for which the stock is sold and the amount that was paid to exercise the underlying option.

Shares acquired by exercising an Option may be subject to repurchase rights in favor of the Company under certain circumstances and also may be subject to various restrictions on selling or transferring the Shares to anyone else.

As noted, each Participant should carefully consider the potential tax consequences that will result from any Option exercise. It must be emphasized that the application of the tax laws, particularly the application of the AMT to Incentive Stock Options can be extremely complicated.

Restricted Stock

Tax Consequences Grant of Vested Shares

If a Participant receives an Award of vested Shares, the Participant must report compensation income for the year in which the Participant receives the Award. The amount of income is the fair market value of the Shares at the time of receipt.

When a Participant who has received an Award of vested Shares sells such Shares, the Participant is treated as if the Participant bought the Shares on the Award date, for an amount equal to the amount of compensation income the Participant reported relating to receipt of the Award. This amount is the Participant’s “basis” in the Shares.

If the Participant sells such Shares after holding the Shares for 1 year or less, the Participant will have short-term capital gain or loss on the sale, measured by the Participant’s basis in the Shares. If the Participant sells such Shares after holding the Shares for more than 1 year, the Participant will have long-term capital gain or loss, measured by the Participant’s basis in the Shares.

Tax Consequences - Grant of Non-Vested Shares

If a Participant receives an Award of non-vested Shares, the Participant has a choice of two different tax regimes - the general rule and the Section 83(b) election rule.

The General Rule. Under the general rule, a Participant does not report any income relating to the grant of non-vested Shares. The Participant will report compensation income for the year in which the Shares vest (i.e. forfeiture and/or transfer restrictions lapse). The amount of income will be the fair market value of the Shares on the date the Shares become vested. Thus, if the value of the Shares increases from the Award date to the date the Shares become vested, the Participant will report such increased value as compensation income when the Shares vest. Further, under the general rule, a sale of such Shares after the Shares become vested will result in capital gain or loss. The Participant’s gain or loss will be long-term if the Participant held the Shares for more than 1 year after the vesting date. Otherwise, the gain or loss will be short-term. The Participant’s basis will be the amount of compensation income the Participant reported at the time the Shares became vested. Finally, considering the general rule, if the Participant does not become vested and forfeits the grant of Shares, the Participant does not report any compensation income or capital gain or loss, relating to the Participant’s Award of Shares.

Section 83(b) Election Rule. By filing a Section 83(b) election, a Participant may change the tax consequences that otherwise apply under the general rule discussed above. A Participant makes a Section 83(b) election by filing a notice with the Internal Revenue Service (“IRS”) within 30 days of the receipt of non-vested Shares pursuant to an Award under the 2019 Plan. Upon a valid Section 83(b) election, a Participant is treated as if the Shares under the Award were vested when received, with the following tax consequences:

- (i) The Participant reports compensation income at the time of receipt of the Shares, equal to the fair market value of the Shares at that time.
- (ii) The Participant does not report any income, gain, or loss, at the time the Shares become vested.
- (iii) On a sale of the Shares, the Participant’s gain or loss will be capital gain (if the applicable holding period has been satisfied). The Participant’s holding period is measured from the Award date (not the vested date) to determine long-term or short-term capital gain or loss. The Participant’s basis is the amount of compensation income the Participant reported relating to the receipt of the Award.
- (iv) If the Participant does not become vested and forfeits the Award of Shares, the Participant will not be entitled to any deduction relative to the compensation income the Participant reported at the time of making the Section 83(b) election.

PROPOSAL 2: APPROVAL OF THE ISSUANCE OF SHARES OF COMMON STOCK PURSUANT TO A \$500,000,000 SECURITIES PURCHASE AGREEMENT PROPOSAL

Background

The Board of Directors believes it is in the best interest of the Company and its stockholders to approve the issuance of the full number of shares of Common Stock that would be issuable under a Common Stock Purchase Agreement (the “Equity Line of Credit Agreement”) with A.G.P./Alliance Global Partners (the “Investor”) to the extent that such issuance could result in the Company issuing more than 20% of the issued and outstanding Common Stock of the Company as of July 24, 2025.

On July 24, 2025, the Company entered into the Equity Line of Credit Agreement to secure access to a \$500,000,000 Equity Line of Credit with A.G.P. Under the terms of the Equity Line of Credit Agreement, the Company may, in its sole discretion, and subject to certain restrictions, periodically sell shares of the Company's common stock in an aggregate of up to \$500,000,000 upon the effective registration for resale of such shares. Pursuant to the Equity Line of Credit Agreement, the Company shall have the right, but not the obligation, to direct the Investor to purchase the lesser of (i) \$500,000,000 (the "Total Commitment Amount") or (ii) the Exchange Cap, which shall be the number of shares not to exceed 19.99% of the Company's shares of common stock, par value \$0.00001 per share ("Common Stock"), of the Company outstanding on July 24, 2025, unless the Company's stockholders have approved the issuance of Common Stock in excess of the Exchange Cap, upon satisfaction of certain terms and conditions contained in the Purchase Agreement, including, but not limited to, an effective registration statement filed with the U.S. Securities and Exchange Commission ("SEC"). The Company, under its right but not obligation, may issue and sell to the Investor common stock under dollar volume-weighted average price ("VWAP") orders or intraday VWAP orders for such orders multiplied by 95%. The Agreement shall terminate at the earlier of the first anniversary of the Purchase Agreement, the date the Investor shall have purchased shares of Common Stock equal to the Total Commitment Amount, or as otherwise provided in the Purchase Agreement.

The purchase price of the shares will be based on the market prices of our shares immediately preceding the time of sale as computed under the Equity Line of Credit Agreement without any fixed discount. We may at any time in our sole discretion terminate the Equity Line of Credit Agreement without fee, penalty or cost upon one business day notice.

Stockholder Approval Requirement for the Proposal

Our shares of Common Stock are listed on the Nasdaq Capital Market, and we are subject to the Nasdaq listing standards set forth in its Marketplace Rules. We are required under Marketplace Rule 5635(a) to seek stockholder approval for the issuance of shares under the Equity Line Agreement.

NASDAQ Marketplace Rule 5635(a) requires stockholder approval prior to the issuance of securities where due to the present issuance of common stock (or securities convertible into or exercisable for common stock), other than a public offering for cash, the common stock to be issued is or will be in excess of 20% of the outstanding common stock prior to the issuance. Future issuances pursuant to the Equity Line of Credit Agreement will result in the issuance by the Company of more than 20% of the Company's outstanding Common Stock, which requires stockholder approval under Nasdaq rules.

Effect of Failure to Obtain Stockholder Approval

If the stockholders do not approve Proposal Two, then the Company will need to find alternative sources of capital to fund its operations including its Solana treasury strategy. Such capital may or may not be available to us on terms favorable to the Company or at all.

Effect of Stockholder Approval

If the stockholders approve Proposal Two, and contingent upon effective registration of shares issuable pursuant to the Equity Line of Credit Agreement, the Company expects to begin sales of shares to AGP, unless more attractive sources of capital are identified and secured. Based on the current market price of \$6.40 as of July 24, 2025, the additional issuance will result in dilution to our stockholders over a period of one year, estimated to be approximately 146% of the Company's outstanding shares if the full amount of the Equity Line of Credit Agreement is drawn down by the Company.

Approval Required

Under Nasdaq Rules, Proposal Two must be approved by a majority of votes cast, assuming a quorum is present. For this purpose, abstentions will be counted as a vote against the proposal, while broker non-votes will have no effect on the outcome of the vote.

Recommendation of the Board

The Board has unanimously determined that Proposal 2 is advisable and in the best interests of the Company and our stockholders, including compliance with Nasdaq Listing Rule 5635(d), and recommends that our stockholders approve Proposal 2.

GROVE, INC.
2019 INCENTIVE STOCK PLAN
(AMENDED AND RESTATED AS OF [])

ARTICLE I
ESTABLISHMENT AND PURPOSE

1.1 Establishment. This Amended and Restated Grove, Inc. Incentive Plan (the "Plan"), adopted by the Board of Directors (the "Board" or the "Board of Directors") of Upexi, Inc. (the "Company", f/k/a Grove, Inc.) on [] and approved by the shareholders at a meeting held on [], is a plan of deferred compensation, which amends and restates that certain Grove, Inc. Incentive Plan dated February 8, 2021, as amended and restated by the Board and approved by the shareholders at a meeting held on May 24, 2022.

1.2 Purpose. The purpose of the Plan is to (a) provide additional incentives to select persons who can make, are making, and continue to make substantial contributions to the growth and success of the Company, (b) attract and retain the employment and services of such persons, and (c) encourage and reward such contributions by providing these individuals with an opportunity to acquire or increase stock ownership in the Company through either (1) the grant and exercise of Options, and/or (2) the grant of Restricted Stock. It is the judgment of the Board of the Company that providing such additional incentives to select persons would advance the overall interests of the Company's business and enhance the value of the Company for all of its shareholders.

1.3 Type of Plan. The Plan permits the grant of Options and Restricted Stock. The Plan is intended to be an "unfunded" plan of deferred compensation. It shall not constitute an "employee benefit plan" subject to the Employee Retirement Income Security Act of 1974, as amended ("ERISA").

(a) Option. An Option granted under the Plan shall be either (1) an "Incentive Stock Option" within the meaning of Section 422(b) of the Code, or (2) a "Nonqualified Stock Option," meaning an Option to purchase Common Stock in the Company which does not qualify as Incentive Stock Option within the meaning of Section 422(b) of the Code. The Option Price shall never be less than the Fair Market Value of the underlying shares of stock on the Grant Date. Moreover, in the case of Incentive Stock Option granted to a Participant who, at the time of grant owns stock representing more than ten percent (10%) of the total combined voting power of all classes of stock of the Company or any Affiliate, the per share Option Price shall be no less than one hundred ten percent (110%) of the Fair Market Value per share on the Grant Date. The number of shares of stock subject to the Option shall be fixed on the original Grant Date. The exercise of the Option is subject to taxation under Section 83 of the Code and Treasury regulation §1.83-7. The Option does not include any feature for the deferral of compensation other than the deferral of recognition of income until the exercise of the Option under Treasury regulation §1.83-7. Hence, a Nonqualified Stock Option shall be exempt from the requirements of Section 409A of the Code. Further, an Incentive Stock Option shall be exempt from the requirements of Section 409A of the Code pursuant to the regulatory exception set forth in Treasury regulation §1.409A-1(b)(5)(ii).

(b) Restricted Stock. The Plan permits Common Stock of the Company to be awarded and issued to certain persons, subject to vesting conditions and restrictions on transfer (known as "Restricted Stock"). The Restricted Stock awarded hereunder is taxed pursuant to the rules of Section 83(a) of the Code (or, if affirmatively elected, Section 83(b) of the Code), so that the Plan and Restricted Stock awarded hereunder is intended to be exempt from Section 409A of the Code.

1.4 Shareholder Approval. The grant of Incentive Stock Options under the Plan shall be subject to approval of the Plan by the shareholders of the Company within twelve (12) months before or after the date the Plan is adopted by the Board of Directors of the Company (excluding Incentive Stock Options issued in substitution for outstanding Incentive Stock Options pursuant to Section 424(a) of the Code). Such shareholder approval shall be obtained in the degree and manner required under applicable provisions of corporate charter, bylaws, and state law regarding approval required for the issuance of corporate stock; provided that if there is no such applicable authority, such shareholder approval shall be obtained in the degree and manner required under the provisions of the Code applicable to Incentive Stock Options. Incentive Stock Options may be granted hereunder prior to such approval by the shareholders, but until such approval is obtained, no such Incentive Stock Option shall be exercisable. In the event that shareholder approval is not obtained within such twelve (12) month period, all Incentive Stock Options previously granted under the Plan shall be exercisable as Nonqualified Stock Options. In addition, approval of the Plan by the shareholders of the Company is required under the NYSE MKT Listed Company Manual before any Awards may be issued under the Plan.

1.5 Term of Plan. The Plan shall continue in effect from the Effective Date set forth in Section 1.1 hereof until the earlier of the Plan's termination by the Board of Directors of the Company, as provided in Section 10.1 hereof, or the date on which all shares of Common Stock available for issuance under the Plan have been issued and all restrictions on such shares under the terms of the Plan have lapsed. In no event, however, shall any Incentive Stock Option be granted under the Plan after the tenth (10th) anniversary of the earlier of the date this Plan is adopted by the Company or the date this Plan is approved by the shareholders of the Company pursuant to Section 1.4 hereof.

For purposes of Section 409A of the Code and the exemption therefrom, the valuation of a class of stock shall be determined by an independent appraisal that meets the requirements of Section 401(a)(28)(C) of the Code and the Treasury regulations thereunder, it being understood that a valuation obtained no more than twelve (12) months before the relevant transaction to which the valuation is applied (e.g. the Grant Date) shall be presumed to be a method resulting in a "reasonable valuation."

2.23 "Option Shares" shall mean the shares of Common Stock that the Participant receives upon exercising vested Options.

2.24 "Participant" shall mean a person who satisfies the eligibility conditions of Article V and with whom an Agreement has been entered into and remains effective under the Plan, and in the event a Representative is appointed for a Participant or another person becomes a Representative, then the term Participant shall mean such Representative. The term shall also include a trust for the benefit of the Participant, the Participant's parents, spouse, or descendants, or a custodian under any uniform gifts to minors act or similar statute for the benefit of the Participant's descendants, to the extent permitted by the Committee and not inconsistent with Rule 16b-3. Notwithstanding the foregoing, the term "Termination of Employment" shall mean the Termination of Employment of the person to whom the Award was originally granted.

2.25 "Plan" shall mean the Grove, Inc. 2019 Incentive Stock Plan, as herein set forth and as may be amended from time to time.

2.26 "Representative" shall mean (a) the person or entity acting as the executor or administrator of a Participant's estate pursuant to the last will and testament of a Participant or pursuant to the laws of the jurisdiction in which the Participant had the Participant's primary residence at the date of the Participant's death, (b) the person or entity acting as the guardian or temporary guardian of a Participant subject to court supervision, (c) the person or entity which is the Beneficiary of the Participant upon or following the Participant's death, or (d) any person to whom an Award has been permissibly transferred; provided that only one of the foregoing shall be the Representative, at any point in time, as determined under applicable law and recognized by the Committee. Any Representative shall be subject to all terms and conditions applicable to the Participant.

2.27 "Restricted Stock" shall mean shares of Common Stock subject to the satisfaction of vesting conditions, transfer restrictions, repurchase rights or other limitations imposed by the Plan and the Participant's Agreement (which may differ from other Participant's Agreements).

2.28 "Retirement" shall mean the Participant's Termination of Employment upon or after attaining age sixty-five (65).

2.29 "Rule 16b-3" shall mean Rule 16b-3, as from time to time in effect and applicable to the Plan and Participants, promulgated by the Commission under Section 16 of the Exchange Act.

2.30 "Securities Act" shall mean the Securities Act of 1933, as amended, and the rules and regulations promulgated thereunder.

2.31 "Termination of Employment" shall mean the occurrence of any act or event that actually or effectively causes or results in a person ceasing, for whatever reason, to be an employee, officer, Director, consultant or other service provider of the Company including, without limitation, Retirement, death, Disability, resignation by Participant with or without "Good Reason" (as defined by Participant's employment agreement, if any), resignation by Participant upon a change in control (as defined by Participant's employment agreement, if any), or termination by the Company with or without Cause. A transfer of employment from the Company to an entity that is an Affiliate, as defined in Section 2.1, or from such an entity to the Company shall not be a Termination of Employment, unless expressly determined by the Committee. With respect to any person who is not an employee of the Company, the Committee may determine and include in such person's Agreement more detailed or particular provisions concerning what act or event shall constitute a Termination of Employment with respect to such person.

2.32 "Transfer" shall mean any sale, gift, assignment, distribution, conveyance, pledge, hypothecation, encumbrance or other transfer of title, whether by operation of law or otherwise.

In addition, certain other terms used herein shall have the definitions given to such terms in the first place in which the terms are used.

ARTICLE III **ADMINISTRATION**

3.1 Structure. The Plan shall be administered by a committee (the "Committee") comprised of two (2) or more Directors, as appointed by the Board. In the event the Board fails to name a Committee, at any time, the Board shall reserve and exercise the functions of the Committee under the Plan.

A majority of the members of an appointed Committee shall constitute a quorum, and the acts of a majority of the members present at any meeting at which a quorum is present, or acts approved in writing by all of the members, shall be the acts of the Committee. Notwithstanding any provision contained in Sections 3.1 or 3.2 to the contrary, the acts of two-thirds (2/3) of the members of the Committee shall be required to exercise the authority granted under Subsections 3.2(d)(ii), (iii), or (iv) to the extent such action accelerates or waives any restriction or limitation associated with any Award or any shares of Common Stock relating hereto. A member of the Committee shall not exercise any discretion respecting himself under the Plan.

The Board shall have the authority to remove, replace, or fill any vacancy of any member of the Committee upon notice to the Committee and the affected member. Any member of the Committee may resign upon notice to the Board. The Committee may allocate among one (1) or more of its members or may delegate to one (1) or more of its agents, such duties and responsibilities as it determines.

Notwithstanding anything herein to the contrary, with respect to grants of Awards to individuals who are "Officers" and "Directors" (as such terms are defined for purposes of Section 16 of the Exchange Act) of the Company, at such time or in such circumstances as such individuals are subject to Section 16 of the Exchange Act, such grants shall be made and administered by a "Rule 16b-3 Committee" appointed by the Board. Such Rule 16b-3 Committee shall consist solely of two (2) or more "Non-Employee Directors" (as defined for purposes of Rule 16b-3) and shall otherwise be constituted and act in such manner as to permit such grants to Officers and Directors and related transactions under the Plan to be exempt from Section 16(b) of the Exchange Act in accordance with Rule 16b-3.

Further, notwithstanding anything herein to the contrary, with respect to grants of Awards to individuals who are "Covered Employees" (as defined for purposes of Section 162(m) of the Code), at such time or in such circumstances as Section 162(m) of the Code may be applicable to the Company as a "Publicly Held Company" (as defined for purposes of Section 162(m) of the Code), such grants shall be made and administered by a "Section 162(m) Committee" appointed by the Board. Such Section 162(m) Committee shall consist solely of two (2) or more "Outside Directors" and shall otherwise be constituted and act in such manner as to permit such grants to Covered Employees to qualify as "Performance-Based Compensation" excludable from "Applicable Employee Remuneration" (as such terms are defined for purposes of Section 162(m) of the Code) in order that the Company not be subject to the limitation on deductions allowed for Applicable Employee Remuneration set forth in Section 162(m) of the Code.

Any Rule 16b-3 Committee or Section 162(m) Committee appointed by the Board shall function and have authority, and be subject to the constitutional and procedural provisions, as herein provided with respect to any Committee appointed by the Board, applicable to the making and administration of the grants of Awards with respect to which the Committee is appointed. A Rule 16-b Committee or Section 162(m) Committee may be a subcommittee of a Committee otherwise appointed by the Board.

3.2 Authority. Subject to the terms of the Plan, the Committee (subject to the specific terms and conditions of such appointment as established by the Board) shall have the authority:

- (a) to select those persons to whom Awards may be granted from time to time;
- (b) to determine whether and to what extent Awards are to be granted hereunder;
- (c) to determine the number of shares of Common Stock to be covered by each Award granted hereunder;
- (d) to determine the terms and conditions of any Award granted hereunder including, but not limited to:
 - (i) the Option Price, the Option Period, any exercise restriction or limitation and any exercise acceleration, forfeiture, or waiver regarding any Option;
 - (ii) any restriction or limitation and any acceleration, forfeiture, or waiver regarding any Award;
 - (iii) any shares of Common Stock relating to an Award; and
 - (iv) any performance criteria and the satisfaction of such criteria relating to an Award.
- (e) to determine the Fair Market Value of one (1) share of Common Stock as of any date;
- (f) to adjust the terms and conditions, at any time or from time to time, of any Award, subject to the limitations of Section 10.1;

- (g) to provide for the form of Agreements to be utilized in connection with the Plan;
- (h) to prescribe the manner in which and the form on which Participants may designate a Beneficiary;
- (i) to determine the identity of a Participant's Beneficiary or Representative for purposes of the Plan;
- (j) to determine whether a Participant has a Disability, Retirement, or Termination of Employment;
- (k) to determine what securities law requirements are applicable to the Plan, Options, and Restricted Stock and the issuance of shares of Common Stock under the Plan and to require of a Participant that appropriate action be taken with respect to such requirements;
- (l) to cancel, with the consent of the Participant or as otherwise provided in the Plan or an Agreement, outstanding Awards;
- (m) to interpret and make final determinations with respect to the remaining number of shares of Common Stock available under the Plan;
- (n) to determine the restrictions or limitations on the transfer of Common Stock;
- (o) to determine whether the Company or any other person has a right or obligation to purchase Common Stock from a Participant and, if so, the terms and conditions on which such Common Stock is to be purchased;
- (p) to determine whether an Award is to be adjusted, modified, or purchased;
- (q) to determine whether an Option is to become fully exercisable under the Plan or the terms of an Agreement;
- (r) to determine the permissible methods of Option exercise and payment;
- (s) to adopt, amend, and rescind such rules, guidelines, procedures and practices as, in its opinion, may be advisable in the administration of the Plan (and which may differ with respect to Awards granted at different times or to different Participants);
- (t) to suspend or delay any time period described in the Plan or any Agreement if the Committee determines the applicable action may constitute a violation of any law, or result in liability under any law to the Company or a shareholder of the Company, until such time as the action required or permitted shall not constitute such violation of law or result in such liability;

(u) to appoint and compensate agents, counsel, auditors or other specialists to aid it in the discharge of its duties; and

(v) to otherwise interpret and apply the terms and provisions of the Plan and any Award issued under the Plan (and any Agreement), and to otherwise supervise the administration of the Plan.

Any determination made by the Committee pursuant to the provisions of the Plan shall be made in its sole discretion, and in the case of any determination relating to an Award, may be made at the time of the grant of the Award or, unless in contravention of any express term of the Plan or an Agreement, at any time thereafter. All determinations and decisions made, and actions undertaken, by the Committee pursuant to the provisions of the Plan shall be final and binding for all purposes and on all persons, including the Company and Participants.

3.3 Liability and Indemnification. No member of the Committee (or Board, if no Committee has been appointed) shall be liable for any action or determination made or taken by the member, Committee, or Board, in good faith, with respect to the Plan. Each member of the Committee (or Board) shall be fully justified in relying or acting, in good faith, upon any report made by the independent public accountants of the Company, and upon any other information furnished in connection with the Plan. In no event shall any person who is or shall have been a member of the Committee (or Board) be liable for any determination made or other action taken or any omission to act in reliance upon any such report or information, or for any action taken, including the furnishing of information, or failure to act, if in good faith.

Each person who is or at any time serves as a member of the Committee (or Board) shall be indemnified and held harmless by the Company against and from (a) any loss, cost, liability, or expense that may be imposed upon or reasonably incurred by such person in connection with or resulting from any claim, action, suit or proceeding to which such person may be a party or in which such person may be involved by reason of any action or failure to act under the Plan, and (b) any and all amounts paid by such person in satisfaction of judgment in any such action, suit, or proceeding relating to the Plan. Each person covered by this indemnification shall give the Company an opportunity, at its expense, to handle and defend such claim, action, suit or proceeding before such person undertakes to handle and defend the same on such person's own behalf. The foregoing right of indemnification shall not be exclusive of any other rights or indemnification to which such persons may be entitled under the articles or certificate of incorporation or by-laws of the Company, as a matter of law or otherwise, or any power that the Company may have to indemnify such persons or hold such persons harmless.

ARTICLE IV **STOCK SUBJECT TO PLAN**

4.1 Number of Shares Available. Subject to adjustment under Section 4.5, the total number of shares of Common Stock reserved and available for distribution pursuant to the grant of Awards under the Plan shall be 10,000,000 shares of Common Stock. Such shares may consist, in whole or in part, of authorized and unissued shares or treasury shares.

Subject to adjustment under Section 4.5, the maximum number of shares of Common Stock reserved and available for distribution pursuant to the grant of Options under the Plan shall be 10,000,000 shares of Common Stock. Subject to adjustment under Section 4.5, the maximum number of shares of Common Stock reserved and available for distribution pursuant to the grant of Restricted Stock under the Plan shall be 10,000,000 shares of Common Stock.

4.2 Release of Shares. Subject to Sections 6.3 and 7.3, if any shares of Common Stock that are subject to any Award cease to be subject to an Award or are forfeited or repurchased, if any Option otherwise terminates without issuance of shares of Common Stock being made to the Participant, or if any shares (whether or not restricted) of Common Stock are received by the Company in connection with the exercise of an Option or grant of Restricted Stock, including the satisfaction of tax withholding, such shares, in the discretion of the Committee, may again be available for distribution in connection with Awards under the Plan.

4.3 Conditions on Issuance of Shares. Shares of Common Stock issued in conjunction with an Award shall be subject to the terms and conditions specified herein and to such other terms, conditions, and restrictions as the Committee, in its discretion, may determine or provide in an Agreement.

The Company shall not be required to issue or deliver any certificates for shares of Common Stock, cash, or other property prior to (a) the listing of such shares on any stock exchange (or other public market) on which the Common Stock may then be listed (or regularly traded), (b) the completion of any registration or qualification of such shares under Federal or state law, or any ruling or regulation of any government body which the Committee determines to be necessary or advisable, and (c) the satisfaction of any applicable withholding obligation.

The Committee may require any person exercising an Option or receiving Restricted Stock to make such representations, furnish such information, and execute such other documents as it may consider appropriate in connection with the issuance or delivery of the shares of Common Stock in compliance with applicable law or otherwise including, but not limited to, requiring each person purchasing shares to represent and agree with the Company, in writing, that such person is acquiring the shares without a view to the distribution thereof.

The Company may cause any certificate for any share of Common Stock to be delivered on exercise of an Option or pursuant to a grant of Restricted Stock to be properly marked with a legend or other notation reflecting the limitations on Transfer of such Common Stock as provided in this Plan or as the Committee may otherwise require.

Fractional shares shall not be delivered but shall be rounded to the next lower whole number of shares. No cash settlements shall be made with respect to fractional shares eliminated by rounding.

Any amounts owed to the Company or an Affiliate by the Participant of whatever nature may be offset by the Company from the value of any shares of Common Stock, cash, or other thing of value under this Plan or an Agreement to be transferred to the Participant, and no shares of Common Stock, cash, or other thing of value under this Plan or an Agreement shall be transferred unless and until all disputes between the Company, any Affiliate, and the Participant have been fully and finally resolved and the Participant has waived all claims to such against the Company and any Affiliate to the satisfaction of the Committee.

4.4 Shareholder Rights.

(a) Option. No person shall have any rights of a shareholder as to shares of Common Stock subject to an Option until after (i) proper exercise of the Option, (ii) such other action is taken by the person as may be required pursuant to the Agreement evidencing such Option, and (iii) such shares shall have been recorded on the Company's official shareholder records as having been issued or transferred. Upon exercise of an Option or any portion thereof, the Company shall have sixty (60) days in which to issue the shares and the Participant will not be treated as a shareholder for any purpose prior to such issuance. No adjustment shall be made for cash dividends or other rights for which the record date is prior to the date such shares are recorded as issued or transferred in the Company's official shareholder records, except as provided herein or in an Agreement.

(b) Restricted Stock. Each Participant receiving an Award shall be issued a stock certificate in respect of such Common Stock. Such certificate shall be registered in the name of such Participant and shall bear the legend referenced in Section 4.3. No person shall have any rights of a shareholder as to shares of Common Stock subject to an Award until such shares shall have been recorded on the Company's official shareholder records as having been issued or transferred. Upon grant of an Award, the Company shall have thirty (30) days in which to issue the shares, and the Participant will not be treated as a shareholder for any purpose prior to such issuance. The Participant shall have the right to vote when the Company has (a) issued the shares to the Participant, and (b) recorded such shares on the official shareholder records of the Company. In addition, on vesting the Participant shall not be entitled to any dividends declared and paid on Common Stock between the Grant Date and the date of vesting.

4.5 Adjustment for Corporate Changes. In the event of any Company stock dividend, stock split, combination or exchange of shares, recapitalization or other change in the capital structure of the Company or any Affiliate, corporate separation or division of the Company (including, but not limited to, a split-up, spin-off, split-off or distribution to Company shareholders other than a normal cash dividend), sale by the Company of all or a substantial portion of its assets, reorganization, rights offering, a partial or complete liquidation, or any other corporate transaction or event involving the Company or any Affiliate, then the Committee shall determine whether (and the extent to which) or not to adjust or substitute, as the case may be, the number of shares of Common Stock available for Awards under the Plan, the number of shares of Common Stock covered by outstanding Awards, the exercise price per share of outstanding Options, and performance conditions and any other characteristics or terms of the Awards as the Committee shall deem necessary or appropriate to reflect equitably the effects of such changes to the Participants; provided, however, that any fractional shares resulting from such adjustment shall be eliminated by rounding to the next lower whole number of shares (and no cash settlements shall be made with respect to fractional shares eliminated by rounding).

ARTICLE V
ELIGIBILITY AND SELECTION

5.1 Eligibility. The persons eligible to participate in the Plan and be granted Awards shall be employees, officers, Directors, consultants or other service providers of the Company or any Affiliate.

For purposes of this Section 5.1, prospective employees, officers, Directors, consultants or other service providers of the Company or any Affiliate shall be eligible to participate in the Plan and be granted Awards in connection with and in furtherance of written offers of employment, retention, or engagement, prior to the date any such person commences employment or first performs services for the Company or any Affiliate; provided that:

(a) any Award granted to such person shall be granted contingent on such person commencing employment or performance of services for the Company or any Affiliate, and shall be exercisable no earlier than the date on which such person commences employment or first performs service for the Company;

(b) any Option granted to such person who will not be a common-law employee of the Company (or any "Parent" or "Subsidiary" of the Company as defined in Section 424 of the Code) shall be a Nonqualified Stock Option; and

(c) any Option granted to such person who will be a common-law employee of the Company (or any "Participant" or "Subsidiary" of the Company as defined in Section 424 of the Code) designated as an Incentive Stock Option shall be deemed granted effective on the date such person commences such employment, with the exercise price of the Option to be determined pursuant to Section 6.3(b) as of such date of commencement of employment.

5.2 Selection of Participants. Of those persons eligible to participate in the Plan as described in Section 5.1, the Committee shall, from time to time and in its sole discretion, select the persons to be granted Awards and shall determine the terms and conditions with respect thereto. The Committee may give consideration to such factors as deemed relevant by the Committee to making such selection and determination.

5.3 Awards in Substitution. Awards (including cash in respect of fractional shares) may be granted under the Plan from time to time in substitution for (a) options, or (b) vested or unvested shares held by employees, officers, Directors, consultants or service providers of other corporations who are about to become employees, officers, Directors, consultants or service providers of the Company or an Affiliate as the result of a merger or consolidation of the employing corporation with the Company or an Affiliate, or the acquisition by the Company or an Affiliate of the assets of the employing corporation, or the acquisition by the Company or an Affiliate of the stock of the employing corporation, as the result of which it becomes an Affiliate. The terms and conditions of the Awards so granted may vary from the terms and conditions set forth in this Plan at the time of such grant as the Committee may deem appropriate to conform, in whole or in part, to the provisions of the options or (vested or unvested) shares in substitution for which they are granted.

ARTICLE VI

STOCK OPTIONS

6.1 General. The Committee shall have authority to grant Options under the Plan at any time or from time to time. An Option shall entitle the Participant to receive shares of Common Stock upon exercise of such Option, subject to the Participant's satisfaction in full of the conditions, restrictions, or limitations imposed in accordance with the Plan and an Agreement (which may differ from other Agreements) including, without limitation, payment of the Option Price.

6.2 Grant of Options. The grant of an Option shall occur as of the date the Committee determines. Each Option granted under the Plan shall be evidenced by an Agreement, in a form prescribed or approved by the Committee, that shall embody the terms and conditions of such Option and which shall be subject to the express terms and conditions set forth in the Plan. A person selected by the Committee to receive an Option shall not become a Participant and have any rights with respect to such Option unless and until such person has executed such Agreement, has delivered a fully executed copy of such Agreement to the person or office designated by the Committee, and has otherwise complied with any applicable requirements set forth by the Committee as part of the grant of the Option.

Each Option shall be designated in the Agreement as either an Incentive Stock Option or a Nonqualified Stock Option. Notwithstanding such designation, however, to the extent that the aggregate Fair Market Value of the shares of Common Stock with respect to which Incentive Stock Options are exercisable for the first time by the Participant during any calendar year (under all plans of the Company and any Affiliate) exceeds \$100,000, or in the event (and only to the extent) that an Option designated as an Incentive Stock Option fails to satisfy the requirements of Section 422 of the Code, such Options shall be treated as Nonqualified Stock Options. For purposes of this Section 6.2, Incentive Stock Options shall be taken into account in the order in which they were granted. The Fair Market Value of the shares of Common Stock shall be determined, for purposes of that \$100,000 limitation, as of the time the Option with respect to such shares is granted.

Neither the Plan nor any Option shall confer upon a Participant any right with respect to continuing the Participant's relationship as a service provider with the Company, nor shall they interfere in any way with the Participant's right or the Company's right to terminate such relationship at any time, with or without Cause.

6.3 Terms and Conditions. Options shall be subject to such terms and conditions as shall be determined by the Committee, including the following:

(a) Option Period. The Option Period of each Option shall be fixed by the Committee. Notwithstanding anything herein to the contrary, unless otherwise determined by the Committee and provided in an Agreement, the Option Period of each Option shall be ten (10) years from the Grant Date of the Option. Moreover, in the case of Incentive Stock Options granted to a Participant who, at the time of grant owns stock representing more than ten percent (10%) of the total combined voting power of all classes of stock of the Company or any Affiliate, the term of the Incentive Stock Option shall be five (5) years from the Grant Date or such shorter term as may be provided in the Agreement.

(b) Option Price. The Option Price per share of the Common Stock purchasable under an Option shall be determined by the Committee. The Option Price per share shall not be less than the Fair Market Value of a share of Common Stock made subject to the Option, determined as of the Grant Date; provided, however, that the Option Price shall not be less than the Fair Market Value determined as of the date that the principal terms of the Option are fixed, authorized, and approved by or on behalf of the Committee if such date is not designated as the Grant Date. Moreover, in the case of Incentive Stock Options granted to a Participant who, at the time of grant owns stock representing more than ten percent (10%) of the total combined voting power of all classes of stock of the Company or any Affiliate, the per share Option Price shall be no less than one hundred ten percent (110%) of the Fair Market Value per share on the Grant Date.

(c) Execution of Related Documents. A Participant shall be required to enter into such non-competition, non-solicitation, and confidentiality agreements as the Committee shall specify or as such provisions may be included in the Agreement.

(d) Vesting and Exercisability. Options shall become vested and be exercisable as determined by the Committee and set forth in each Agreement. An Agreement shall state, with respect to all or designated portions of the shares of Common Stock subject thereto, the time at which, the conditions upon which, or the installments in which the Option shall become vested and be exercisable during the Option Period. The Committee may establish requirements for vesting and exercisability based on (i) periods of employment or rendering of services, (ii) the satisfaction of performance criteria with respect to the Company or the Participant (or both), (iii) both periods of employment or rendering of services and satisfaction of performance criteria, or (iv) the occurrence of certain events including, but not limited to, a Change in Control.

Notwithstanding anything herein to the contrary, unless otherwise determined by the Committee and provided in the Agreement, each Option shall become vested and exercisable under the following provisions:

The Committee may substitute an effective date identified in the particular Agreement in place of the Grant Date for use with the foregoing vesting schedule or with any other vesting schedule set forth in such Agreement.

In the case of any Option which, at the Grant Date, is granted with provisions for vesting and exercisability at a later date or in installments, whether by determination of the Committee or by operation of the preceding paragraph, the Committee may thereafter, at any time and in its sole discretion, waive or modify such vesting requirements with respect to such Option, in whole or in part, and accelerate the exercisability of all or a portion of the Option.

(e) Method of Payment Unless otherwise determined by the Committee and provided in an Agreement, payment of the Option Price under each Option shall be made, in full or in part, by cash or check. No shares of Common Stock shall be issued on exercise of an Option until full payment therefor has been made and all other applicable conditions have been satisfied, as determined by the Committee. Alternative methods of payment the Committee may consider shall include, but are not limited to, the following: (1) tendering other shares of Common Stock which have either been owned by the Participant for more than six (6) months on the date of surrender or were acquired upon exercise of the Option for which payment is being made and which, in either case, have a Fair Market Value on the date of surrender equal to the aggregate Option Price of the shares for which the Option is being exercised, (2) consideration received by the Company under a broker-assisted cashless exercise program implemented by the Company with respect to the Plan, or (3) any combination of the foregoing methods of payment.

(f) Nontransferability of Options. Except as specifically provided herein or in an Agreement, no Option or interest therein shall be transferable by the Participant other than by will or by the laws of descent and distribution, and an Option shall be exercisable during the Participant's lifetime only by the Participant.

(g) Designation of Beneficiary. A Participant may designate a Beneficiary who may exercise the Participant's Option after the Participant's death, subject to the provisions of the Plan. Such designation shall be made in such manner and on such form as shall be prescribed by the Company.

6.4 Effect of Termination of Employment. Except as otherwise determined by the Committee and set forth in an Agreement, if a Participant incurs a Termination of Employment, for any reason, prior to the expiration of the Option Period of any Option, the Option, if not vested and exercisable on the date of Termination of Employment, or any portion of the Option that is not vested and exercisable on the date of the Termination of Employment, shall expire and be forfeited, and shall be void for all purposes, immediately on the date of Termination of Employment.

Except as otherwise determined by the Committee and set forth in an Agreement, in the case of a Participant who incurs a Termination of Employment prior to the expiration of the Option Period of any Option, the Option, if vested and exercisable on the date of Termination of Employment, or any portion of the Option that is vested and exercisable on the date of Termination of Employment, shall continue to be exercisable only for the applicable extended time period following such Termination of Employment set forth hereinafter and shall otherwise cease to be exercisable as of the close of business on the date of Termination of Employment.

(a) In the event of Termination of Employment constituting Retirement, such Option or such portion thereof may be exercised by the Participant until the end of the ninety (90) day period commencing with the date of Retirement or, if earlier, the expiration of the Option Period.

(b) In the event of Termination of Employment due to death, such Option or such portion thereof may be exercised by the Participant's Representative until the end of the twelve (12) month period commencing with the date of the Participant's death or, if earlier, the expiration of the Option Period.

(c) In the event of Termination of Employment due to Disability, such Option or such portion thereof may be exercised by the Participant or, in the event the Participant is legally incompetent, the Participant's Representative until the end of the six (6) month period commencing with the date of Disability or, if earlier, the expiration of the Option Period.

(d) In the event of Termination of Employment at the election of the Participant with "Good Reason" (as defined by such Participant's Employment Agreement), such Option or such portion thereof may be exercised by the Participant until the end of the ninety (90) day period commencing with the date of Termination of Employment or, if earlier, the expiration of the Option Period.

(e) In the event of Termination of Employment by the Company or an Affiliate, as the case may be, without Cause, such Option or such portion thereof may be exercised by the Participant until the end of the ninety (90) day period commencing with the date of Termination of Employment or, if earlier, the expiration of the Option Period.

(f) Notwithstanding anything in the preceding subparagraphs (a) through (e) to the contrary, in the event of Termination of Employment of a Participant by the Company or an Affiliate, as the case may be, for Cause, such Option or such portion thereof shall cease to be exercisable automatically upon first notification to the Participant by the Company or the Affiliate of such termination, with no extended time period for any exercise of the Option or any portion thereof. If a Participant's employment or services are suspended pending an investigation of whether the Participant's employment or services should be terminated for Cause, all of the Participant's rights under any Option shall likewise be suspended during the period of such investigation.

Notwithstanding anything herein to the contrary, the Committee may, at any time and in its sole discretion, further extend or modify the extended time periods for exercisability set forth in this Section 6.4, or waive or modify the operation of the provisions of this Section 6.4 as regards elective Termination of Employment without appropriate or agreed notice and agreed termination terms or Termination of Employment for Cause.

6.5 Information Available to Participants. At least annually, the Company shall make available to all Participants copies of the Company's financial statements for its most recently completed fiscal year. Except as may be required by applicable law, neither the Company nor the Committee shall have any duty or obligation to provide or make available to any Participant any other disclosures or information regarding the Company, and no Participant shall have any right to obtain any other disclosures or to receive any other information regarding the Company, in connection with the grant or exercise of any Option.

6.6 Exercise of Options. An Option which is vested and exercisable shall be exercised by a Participant (or a Representative), in whole or in part, at any time during the Option Period, by giving written notice to the Company, in such form and manner as the Committee may prescribe, specifying the number of shares of Common Stock attributable to the Option to be purchased. Such notice of exercise given to the Company shall be accompanied by payment, in full, of the Option Price and any other executed documents required by the Committee.

6.7 Withholding on Exercise. No later than the date as of which an amount first becomes includible in the gross income of the Participant for Federal income tax purposes with respect to any Option, the Participant shall pay to the Company (or other entity identified by the Committee) or make arrangements satisfactory to the Company or other entity identified by the Board regarding the payment of any Federal, state, local or foreign taxes of any kind required by law to be withheld with respect to such amount. The obligations of the Company under the Plan shall be conditional on such payment or arrangements, and the Company and any Affiliate shall, to the extent permitted by law, have the right to deduct any such taxes from any payment otherwise due to the Participant.

6.8 Cash-Out of Option. On receipt of written notice of exercise of an Option at any time prior to a Change in Control, the Committee may elect, at any time, in lieu of issuing Common Stock to cash-out all or any portion of the Option, provided such action would not violate Section 409A of the Code, by paying to the Participant an amount, in cash, equal to the excess of the Fair Market Value of a share of Common Stock, as of the date of exercise, over the Option Price, multiplied by the number of shares of Common Stock subject to the Option elected to be cashed-out by the Committee. The Committee may elect to cash-out all or any portion of an outstanding Option at any other time, using the same formula as described above for determining the consideration to be paid, regardless of any exercise notice or Change in Control. Cash-outs relating to Options held by Participants who are actually or potentially subject to Section 16 of the Exchange Act shall comply with Rule 16b-3, to the extent applicable. The Committee may elect to offset against any cash-out payment under this Section 6.8 any amounts outstanding under any indebtedness or obligations owed by the Participant to the Company or any Affiliate.

ARTICLE VII
RESTRICTED STOCK

7.1 General. The Committee shall have authority to grant an Award of Restricted Stock under the Plan at any time or from time to time.

7.2 Grant of Restricted Stock. The Grant Date shall be determined by the Committee. Each Award of Restricted Stock granted under the Plan shall be evidenced by an Agreement, in a form prescribed or approved by the Committee, that shall embody the terms and conditions of such Award of Restricted Stock and which shall be subject to the express terms and conditions set forth in the Plan. Such Agreement shall become effective upon execution and delivery by the Participant, and receipt by the person or office designated by the Committee.

7.3 Terms and Conditions. Awards of Restricted Stock shall be subject to such terms and conditions as shall be determined by the Committee, including the following:

(a) Vesting Schedule. Awards of Restricted Stock shall become vested in accordance with a schedule determined by the Committee and set forth in each Agreement. An Agreement shall state, with respect to all or designated portions of the shares of Common Stock subject thereto, the time at which, the conditions upon which, or the installments in which the Award shall become vested. The Committee may establish requirements for vesting based on (i) periods of employment or rendering of services, (ii) the satisfaction of performance criteria with respect to the Company or the Participant (or both), (iii) both periods of employment or rendering of services and satisfaction of performance criteria, or (iv) the occurrence of certain events including, but not limited to, a Change in Control.

Notwithstanding anything herein to the contrary, unless otherwise determined by the Committee and provided in the Agreement, each Awards of Restricted Stock shall become vested under the following provisions:

The Committee may substitute an effective date identified in the particular Agreement in place of the Grant Date for use with the foregoing vesting schedule or with any other vesting schedule set forth in such Agreement.

In the case of any Award which, at the Grant Date, is granted with provisions for vesting at a later date or in installments, whether by determination of the Committee or by operation of the preceding paragraph, two-thirds (2/3) of the Committee may thereafter, at any time and in its sole discretion, waive or modify such vesting requirements with respect to such Award, in whole or in part, and accelerate the vesting condition of all or a portion of the Award.

(b) Representations. The Committee may require each person receiving shares pursuant to an Award to represent to and agree with the Company in writing that such person is receiving the shares without a view to the distribution thereof. The certificates for such shares may include any legend that the Committee deems appropriate to reflect any restrictions on transfer.

(c) Other Terms and Conditions. Awards shall be subject to such other terms and conditions as may be determined by the Committee and set forth in an Agreement.

7.4 Effect of Termination of Employment

(a) Without Cause. Except as otherwise determined by the Board and set forth in an Agreement, a Participant shall forfeit all Awards which are not vested on or before the effective date of a Participant's Termination of Employment without Cause. The Awards shall be forfeited and cancelled effective as of the date of the Participant's Termination of Employment.

(b) For Cause. Except as otherwise determined by the Board and set forth in an Agreement, and notwithstanding any provision in Section 7.3 to the contrary, a Participant shall forfeit all Awards (whether vested or not vested) if a Participant incurs a Termination of Employment for Cause. The Awards shall be forfeited and cancelled effective as of the date of the Participant's Termination of Employment.

7.5 Withholding. No later than the date as of which an amount first becomes includible in the gross income of the Participant for Federal income tax purposes with respect to any Award, the Participant shall pay to the Company (or other entity identified by the Committee) or make arrangements satisfactory to the Company or other entity identified by the Committee regarding the payment of any Federal, state, local or foreign taxes of any kind required by law to be withheld with respect to such amount. The obligations of the Company under the Plan shall be conditional on such payment or arrangements, and the Company and any Affiliate shall, to the extent permitted by law, have the right to deduct any such taxes from any payment otherwise due to the Participant.

ARTICLE VIII

PROVISIONS APPLICABLE TO ACQUIRED STOCK

8.1 Securities Law Restrictions. The Company may impose such other restrictions on any shares of Common Stock granted pursuant to an Award under the Plan as it may deem advisable including, but not limited to, restrictions intended to achieve compliance with (a) the Securities Act, (b) the requirements of any stock exchange or over the counter market upon which the Common Stock is then listed or traded, and (c) any Blue Sky or state securities laws applicable to such Common Stock. If at any time the Committee shall determine, in its discretion, that the listing, registration, or qualification of any shares of Common Stock to be granted under the Plan upon any securities exchange or under any state or Federal law, or the consent or approval of any governmental or regulatory body, is necessary or desirable as a condition of or in connection with the grant or issuance of Common Stock hereunder, then no Award may be made unless such listing, registration, qualification, consent or approval shall have been effected or obtained free of any conditions not acceptable to the Committee. The Committee may require any Participant receiving an Award under the Plan to make such representations and furnish such information as it may consider appropriate in connection with the issuance or delivery of any such Common Stock in compliance with applicable law and shall have the authority to cause the Company, at its expense, to take any action related to the Plan which may be required in connection with such listing registration, qualification, consent or approval.

8.2 Registration Statement. If a registration statement is not in effect under the Securities Act or any applicable state securities laws with respect to the Common Shares, the Company may require the Participant to represent, in writing, that the Common Shares received are being acquired for investment and not with a view to distribution and agree that the Common Shares will not be disposed of except pursuant to an effective registration statement, unless the Company shall have received an opinion of counsel that such disposition is exempt from such requirement under the Securities Act and any applicable state securities laws. The Company shall include on certificates representing Common Shares delivered pursuant to the Plan such legends referring to the foregoing representations or restrictions and any other applicable restrictions on resale as the Committee, in its discretion, shall deem appropriate.

8.3 Transfer on Change in Control. A Participant may Transfer, or may be required to sell, shares of Common Stock acquired pursuant to an Award upon the effective date of a Change in Control, as provided in Section 9.2. Notwithstanding anything herein to the contrary, the Committee may, at any time and in its sole discretion, provide that corporate transactions in addition to those specified in Section 9.2 as constituting a Change in Control, shall constitute events upon the effective date of which a Participant may Transfer any or all of the Shares of Common Stock acquired by the Participant pursuant to an Award.

8.4 Estate Planning Transfers. Notwithstanding anything herein to the contrary, a Participant may, at any time, make a Transfer of shares of Common Stock received pursuant to an Award to his parents, spouse, or descendants or to any trust for the benefit of the foregoing or to a custodian under any uniform gifts to minors act or similar statute for the benefit of any of the Participant's descendants.

8.5 Binding Effect of Plan. Any otherwise permitted Transfer of shares acquired pursuant to an Award shall not be permitted or valid unless and until the transferee agrees to be bound by the provisions of this Plan, and any provision restricting Common Stock under the Agreement; provided that "Termination of Employment" shall continue to refer to the Termination of Employment of the Participant.

8.6 Limited Transfer During Offering. In the event there is an effective registration statement under the Securities Act pursuant to which shares of Common Stock shall be offered for sale in an underwritten offering, a Participant shall not, during the period requested by the underwriters managing the registered offering, effect any public sale or distribution of shares received directly or indirectly pursuant to an Award.

8.7 Disqualifying Disposition. If a Participant disposes of shares of Common Stock acquired pursuant to the exercise of an Incentive Stock Option in any transaction considered a "disqualifying disposition" under Section 421(b) of the Code, the Participant shall provide notice to the Company of such transaction. The Company shall have the right to deduct any Federal, state, local or foreign taxes of any kind required by law to be withheld, with respect to the amount involved in such transaction, from any amounts otherwise payable by the Company to the Participant, or to require the Participant to make other arrangements satisfactory to the Company regarding payment of such taxes.

8.8 Rights of Repurchase. Prior to the effective date of a Change in Control, upon a Termination of Employment of a Participant, the Company shall have the right to repurchase all or any portion of the shares of Common Stock acquired pursuant to an Award (the "Acquired Shares"), whether held by the Participant or by a transferee of the Participant as permitted under Section 8.4 (a "Permitted Transferee"), on the following terms and conditions:

(a) The Company may exercise such right by delivery of written notice (the "Repurchase Notice") to the Participant or any Permitted Transferees within ninety (90) days after the date of the Participant's Termination of Employment or, if later, within ninety (90) days after the date the Participant or the Participant's Representative exercises the Participant's Option following the Participant's Termination of Employment (pursuant to Section 6.4) to obtain Acquired Shares. The Repurchase Notice shall set forth the number of Acquired Shares to be acquired by the Company from the Participant or the Permitted Transferees, the aggregate consideration to be paid for the Acquired Shares and the time and place for the closing of such transaction.

(b) The repurchase of Acquired Shares shall be closed at the Company's executive offices, or at such other location as may be designated by the Company, within twenty (20) days after the date of delivery of the applicable Repurchase Notice. At the closing, the Company shall pay the purchase price to the Participant (or, if applicable, the Permitted Transferee), and the Participant (or, if applicable, the Permitted Transferee) shall deliver the certificate or certificates representing such Acquired Shares to the Company (or nominee), accompanied by duly executed stock powers. The Company shall be entitled to receive customary representations and warranties from the seller regarding the sale of Acquired Shares (including representations and warranties regarding good title to such shares, free and clear of any liens or encumbrances) and to require a seller's signature to be guaranteed by a national bank or reputable securities broker.

(c) The purchase price per share to be paid for the Acquired Shares repurchased by the Company shall be equal to the Fair Market Value of each such Acquired Share as of the date of the Participant's Termination of Employment.

(d) The Company shall make payment for Acquired Shares by, at the option of the Company, (i) a check or wire transfer of funds to the extent such payment would not cause the Company to violate the General Corporation Law of the State of Nevada and would not cause the Company to breach any agreement to which it is a party relating to the indebtedness for borrowed money or other material agreement, (ii) a subordinated promissory note of the Company bearing interest (payable quarterly in cash unless otherwise prohibited) at the applicable federal rate for medium-term obligations, with all remaining principal and interest payment due on the fifth (5th) anniversary of the date of issuance and which shall be subordinated on terms and conditions satisfactory to the holders of the Company's indebtedness for borrowed money, or (iii) a combination of (i) and (ii) above in such proportions as the Company may determine in its sole discretion. In addition, the Company may pay the purchase price by offsetting amounts outstanding under an indebtedness or obligations owed by the Participant to the Company or any Affiliate.

(e) Notwithstanding the foregoing, any repurchase of Acquired Shares attributable to an Incentive Stock Option shall not take place before the first anniversary of the Participant's acquisition of such Acquired Shares, and such repurchase shall be closed within ninety (90) days after a ninety (90) day advance Repurchase Notice is given, so as not to create a "disqualifying disposition" of the Acquired Shares within the meaning of Code Sections 421(b) and 422(a)(i).

ARTICLE IX

CHANGE IN CONTROL PROVISIONS

9.1 Accelerated Vesting on Change in Control. Notwithstanding any other provision of the Plan or in an Agreement to the contrary, in the event of a Change in Control (as defined in Section 9.2), any Award outstanding as of the effective date of the Change in Control that was granted which are not then fully vested (or exercisable) shall become fully vested (or exercisable) to the full extent of the original Award.

9.2 Definition of Change in Control. For purposes of this Plan, a "Change in Control" shall be deemed to have occurred at such time as (a) a person or a group (within the meaning of Sections 13(d) or 14(d)(2) of the Exchange Act), other than a person who is an existing holder of capital stock of the Company or a group consisting solely of existing holders of capital stock of the Company, becomes the "beneficial owner" (as defined in Rule 13d-3 promulgated under the Exchange Act) of more than fifty (50%) percent of the Company's total outstanding capital stock, (b) a sale, lease or exchange of substantially all of the Company's assets and related business to a third party unaffiliated with an existing holder of capital stock of the Company, or (c) a merger of the Company into or consolidation with another corporation which is unaffiliated with the shareholders or management of the Company and, after giving effect to such merger or consolidation, the existing holders of capital stock of the Company immediately prior to such merger or consolidation own less than fifty-one percent (51%) of the capital stock of the surviving entity. Notwithstanding the foregoing, if Participant is a party to an employment agreement or consulting agreement with the Company that contains a change in control provision and a definition of change in control, the definition of change in control in the employment agreement or consulting agreement, as the case may be, shall be utilized under this Agreement, with respect to said Participant employee/consultant only, in place of the Change in Control definition set forth in this Section 9.2

ARTICLE X
MISCELLANEOUS

10.1 Amendment and Termination. The Board may amend or terminate the Plan at any time, but no amendment or termination shall be made which would impair the rights of a Participant under an Award theretofore granted without the Participant's consent, except to the extent such amendment or termination is made pursuant to express provisions of the Plan or an Agreement or is necessary for the Plan or an Award to comply with any applicable law, regulation, or rule, or in connection with a Change in Control.

The Board may amend the terms of any Award theretofore granted as set forth in an Agreement, prospectively or retroactively, but no such amendment shall be made which would impair the rights of any Participant without the Participant's consent, except to the extent such an amendment is made pursuant to express provisions of the Plan or an Agreement or is necessary for the Plan or an Award to comply with any applicable law, regulation, or rule, or in connection with a Change in Control.

Notwithstanding the foregoing to the contrary, the Board shall not amend or terminate the Plan or an Agreement if the result of such amendment or termination would cause the Award to be governed by Section 409A of the Code.

10.2 Fail-Safe for Rule 16b-3. With respect to persons subject to Section 16 of the Exchange Act, transactions under this Plan are intended to comply with all applicable conditions of Rule 16b-3. To the extent any provision of the Plan or action by the Committee fails to comply, it shall be deemed null and void, to the extent permitted by law and deemed advisable by the Committee. In the event the Plan does not include a provision required by Rule 16b-3 to be stated herein, such provision (other than one relating to eligibility requirements or the price and amount of Awards) shall be deemed to be incorporated by reference into the Plan with respect to Participants subject to Section 16.

If at the time a Participant incurs a Termination of Employment (other than due to Cause) or if at the time of a Change in Control, the Participant is subject to "short-swing" liability under Section 16 of the Exchange Act, any time period provided for under the Plan or an Agreement, to the extent necessary to avoid the imposition of such liability, shall be suspended and delayed during the period the Participant would be subject to such liability, but such suspension and delay shall not be for more than six (6) months and one (1) day and not to exceed the Option Period, whichever is shorter.

10.3 Fail-Safe for Incentive Stock Options. Notwithstanding anything in the Plan to the contrary, no term of the Plan relating to Incentive Stock Options shall be interpreted, amended or altered, nor shall any discretion or authority granted under the Plan be exercised, so as to disqualify the Plan under Section 422 of the Code or, without the consent of the Participant affected, to disqualify any Incentive Stock Option under Section 422 of the Code.

10.4 Fail-Safe for Mitigation of Excise Tax. Except as otherwise provided in an Agreement or if the requirements of Treasury Regulation §1.280G-1 Q&A6(a)(2) are met to the satisfaction of the Committee, if any payment or right accruing to a Participant under this Plan (without the application of this provision), either alone or together with other payments or rights accruing to the Participant from the Company ("Total Payments"), would constitute a "parachute payment" (as defined in Section 280G of the Code), such payment or right shall be reduced to the largest amount or greatest right that will result in no portion of the amount payable or right accruing under the Plan being subject to an excise tax under Section 4999 of the Code or being disallowed as a deduction under Section 280G of the Code. The determination of the amount of any potential reduction in the payments or rights shall be made by the Committee, in good faith, after consultation with the Participant and shall be communicated to the Participant. The Participant shall cooperate, in good faith, with the Committee in making such determination and providing the necessary information for this purpose. The foregoing provisions of this paragraph shall apply with respect to any person only if, after reduction for any applicable Federal excise tax imposed by Section 4999 of the Code and Federal income tax imposed by the Code, the Total Payments accruing to such person would be less than the amount of the Total Payments as reduced, if applicable, under the foregoing provisions of the Plan and after reduction for only Federal income taxes.

10.5 No Creditor Rights. Unless otherwise provided in this Plan or in an Agreement, no Option shall be subject to the claims of Participant's creditors and no Award may be transferred, assigned, alienated or encumbered in any way other than by will or the laws of descent and distribution or to a Representative upon the death of the Participant.

10.6 No Rights with Respect to Employment. Nothing contained herein shall be deemed to alter the employment relationship between the Company or any Affiliate and a Participant, or the contractual relationship between the Company or any Affiliate and a Participant if there is a written contract regarding such relationship. Nothing contained herein shall be construed to constitute a contract of employment or a contract for services between the Company or any Affiliate and a Participant. The Company or any Affiliate, as the case may be, and each of the Participants shall continue to have the right to terminate the employment or service relationship at any time for any reason, except as provided in a written contract.

10.7 Relationship to Other Benefits. No payment under the Plan shall be taken into account in determining any benefits under any retirement or welfare benefit plan of the Company, unless otherwise specifically provided in such plan of the Company.

The adoption of the Plan by the Board shall not be construed as creating any limitations on the power of the Company or the Board to adopt such other incentive arrangements as the Company or the Board may deem desirable including, without limitation, any stock appreciation right, phantom stock, bonus arrangement, stock options, or restricted stock other than under the Plan, and such arrangements may be applicable either generally or only in specific cases.

10.8 Controlling Law. The Plan, all Agreements and all Awards granted and actions taken thereunder shall be governed by and construed in accordance with the laws of the State of Nevada (other than its law respecting choice of law). The Plan and all Agreements shall be construed to comply with all applicable law and to avoid liability to the Company, any Affiliate and (to the extent feasible) to Participants including, without limitation, liability under Section 16(b) of the Exchange Act.

10.9 Waiver of Cumulative Rights. The failure or delay of either the Company or a Participant to require performance by the other party under any provision of the Plan or an Agreement shall not affect the Company's or the Participant's right to require such performance, unless and until such performance has been waived in writing. Each and every right provided by the Plan and an Agreement shall be cumulative and may be exercised from time to time in whole or in part (unless otherwise specifically provided).

10.10 Notices. Any notice which either the Company or a Participant may be required or permitted to provide to the other party under the Plan or an Agreement shall be in writing and shall be deemed sufficiently given if personally delivered or sent by either facsimile, overnight courier, or postage paid first class mail. Notices sent by mail shall be deemed received three (3) business days after mailed, but in no event later than the date of actual receipt. Notices shall be directed, if to a Participant, to the Participant's address indicated in the Company's business records or as otherwise designated in writing delivered by the Participant to the Company to apply for purposes of the Plan and, if to the Company, to the Secretary of the Company at the Company's principal executive office or to such other officer of the Company at such address as may be designated in an Agreement or otherwise in writing delivered by the Company to the Participant.

10.11 Successors and Assigns. This Plan and an Agreement shall inure to the benefit of and be binding upon each successor and assign of the Company. All obligations imposed upon a Participant, and all rights granted to the Company under this Plan and an Agreement, shall be binding upon the Participant's heirs, legal representatives and successors.

10.12 Headings. The headings contained in this Plan or in an Agreement are for reference purposes only and shall not affect the meaning or interpretation of this Plan or an Agreement.

10.13 Severability. If any provision of this Plan and an Agreement shall for any reason be held to be invalid or unenforceable, such invalidity or unenforceability shall not affect any other provision hereby or thereof, and this Plan and the Agreement shall be construed as if such invalid or unenforceable provision were omitted.

10.14 Entire Agreement. This Plan and, with respect to any Participant, the Agreement entered into with the Participant pursuant to which an Award is granted, including any Exhibits thereto, shall constitute the entire Agreement with respect to the subject matter hereof and thereof; provided that in the event of any inconsistency between the Plan and the Agreement, the terms and conditions of the Plan shall control.

IN WITNESS WHEREOF, the Company has caused this instrument to be executed on its behalf by the undersigned officer of the Company, as duly authorized by its Board of Directors, as of [].
